

October 19, 2020
Pickleball Board Meeting Minutes

Attendees: Jim Cooney, Justin Griffin, Rich Loose, Jane Jakubec, and Marjo Peters

Justin Griffin opened the Zoom meeting. Minutes of the last meeting were approved, as submitted.

Financial Report

Jakobec reported that we have a current combined balance of \$8358.97 in our savings/checking accounts.

Outdoor Courts

- 1) Sponsorship Banners—Scott Gullickson had Quik Signs design an advertising banner to be hung on the fence adjacent to each court. The banner will include the sponsor company information and the court number. Consensus of board members was to charge an annual sponsorship fee with a minimum of a three year commitment. There will be six sponsorship banners available. The annual cost for each sponsor was discussed but not finalized. We agreed that we would give our current members the opportunity to sponsor a court before we will open it to other businesses. Final details are being worked on and will be communicated once completed.
- 2) Pickleball Paddle Holders—It was decided to purchase two paddle holders. Each rack will hold up to 20 paddles. Peters will make this purchase.
- 3) Pickleball Court Storage--Cooney reported that we could purchase a plastic storage container for balls, electric blower, extension cords, etc. for a little over \$200. It was determined that we may add additional items so he will look for a larger storage option. Once we agree on what we want, Griffin will seek city approval.

Indoor Courts

Due to the recent cold weather we are finding a significant number of players signing up on Signup Genius at the Rec Center. We will make a couple changes to the schedule to address over crowding between Saturday morning Structured Play events. Additional Signup Genius time changes will be addressed so we do not conflict with other activities that the Center has scheduled in the court areas.

Other Business

Griffin voiced a concern that we should probably have a written “Code of Conduct” for the organization, in the event that we need to address unruly behavior of a player. Though we rarely expect that to happen, the code would make it easier to address. We reviewed the USPA Code of Conduct and consensus was to accept their code as written.

Next monthly meeting is scheduled for November 16, 2020. Location yet to be determined.
