INDOOR PLAY:

We have 4 courts available to us at the Rec Center. Play seems to be going well since we made the transition to indoor play. Please remember to sign up for play on Sign Up Genius if you are going to play. Space is limited to 18-20 people. Also, please remember to cancel if you will not be playing so that another person might get the chance to play. Sign Up Genius supports only club members for Structured Play. If you are not signed up on Sign Up Genius, you are not a part of Structured Play. Please be courteous to the oncoming group. Please get off the courts, in a timely fashion, to allow the new group to play.

WINTER WONDERLAND:

Thank you to the members for their efforts to make the Pickleball display. Thank you to Greg and Teresa Krier for being Santa and Mrs Claus. Also, thank you to Rich for his role as Santa and involvement in the event.

ITEMS FROM THE BOARD:

A holiday party was discussed and deferred until after the new year.

A discussion was had regarding whether we should pursue lights on the outdoor courts. Cost of installation and cost of use was discussed. It was decided that more information was needed to decide if we move forward with this. Greg is going to investigate this.

Painting the walls in the pickleball area of the Rec Center was discussed. Jim will bring this up with Brett. Also, there are missing tiles in the ceiling. People have lost balls up there. Will the tiles be replaced?
