Club Tournament Update:

Consensus was that the tournament was a success. Thank you to Greg and Jane for organizing. Thank you to our sponsors. Thank you to the participants. The Pickleball club made \$889.15 on the tournament after expenses were paid.

Saturday Structured Play:

As the weather turns colder, play returns to the Rec Center. 3-4 courts are available. 16 person sign up cap.

Super Starz Invite:

Jim Cooney received an invite from Spencer Rossi to Spearfish Super Starz, a community dinner that is held only 3 times a year. A small crowd funding dinner, where attendees pay \$10 for soup and a vote. Local groups present what they do, and what they would do with the money received in a 5 min presentation. Attendees vote who takes the entrance money for the night along with the corporate sponsorship money. First dinner is Nov 15th.

It was decided the PB board would attend this event Nov 15th as a group, in lieu of the monthly board meeting. Rich and Jim will present a short summary of our PB club. Doors open at 5:30. Presentations start at 6pm.

Items from the Board:

Marjo will be looking into locations and dates for a club social event to be held sometime before the end of the year.

Jim Cooney will be moving the ball machine to the Rec Center in November. Have it stored in a safe place and easy access for those who wish to use the ball machine.

Nets will remain up during the winter months at the outdoor courts.

There were no further items from the Board. Meeting was adjourned.
