ITEMS FROM THE BOARD:

Jim will lower the south wind screen later this spring.

REC CENTER:

No new barriers have been purchased.

No taping has been done. Not sure if tape has arrived yet.

New balls for the ball machine- Jim has some in his truck.

PHIL SUMMERS AND LORI RILEY:

Lorri Riley presented to the Board their future plans out at Eastside Acres. A 40-acre new development east of Spearfish. A Spearfish Sports Academy is in the planning stages. We were shown a blueprint as to what would be contained on the inside. This building will be over 70,000 sq ft. There will be 8 pickleball courts, with the possibility of 7 more. There is a turf area located to one side of the PB courts. This turf will be able to be pulled up and made into PB courts. There is gymnastics area a ninja area, main lobby and daycare facilities with pre-school up to grade 2. They would like this to be a non-profit with Phil Summers leasing the inside. Once there is more information on this, they will get back to us.
